

## Experience the GovConnection Difference Today

» Beyond our products, beyond our prices, beyond even our personal service, there's one simple reason more schools choose to partner with GovConnection: we understand how you use technology.

Take a closer look at GovConnection and you'll see that everything we do revolves around making it easier to purchase, implement, and maintain complete IT solutions that better connect students, faculty, and administrators. Not only do we carry the brands you trust, but we can get you what you need faster through our nationwide distribution centers, and our large in-house staff of certified network engineers and IT specialists can help you take care of everything with a single phone call.

The IT marketplace is full of companies who simply claim to be different. We prefer to prove it day in and day out. Call today, and we'll prove it to you.

### Get It All When You Partner with GovConnection

- **Experienced Account Management**—Our sales teams know your environment and understand the external forces affecting it.
- **Total Commitment**—Our business-to-education website makes it easy to track purchases and run customized reports any time you need them. We can also ship your purchases complete with asset tagging or custom labeling.
- **Contract Expertise**—GovConnection is named on many of the purchasing contracts you use, including E&I. If there is no contract vehicle in place, be assured that we will offer you highly competitive pricing on all the IT products you need.
- **Custom System Configuration**—Save time and resources by having your systems and servers arrive fully configured to your specifications. Our A+ certified technicians configure and ship up to 1000 custom systems a day.
- **Rapid Fulfillment**—GovConnection has you covered with next-day delivery on in-stock orders placed as late as 7:00 p.m. ET.
- **Multiple Payment Options**—We understand the intricacies of academic procurement cycles and make it easier for you by accepting multiple payment methods.
- **Ongoing Leadership**—GovConnection is your best source for emerging technology and best practices. Each year, we hold Tech Summits in varied locations around the country to bring together IT managers and CIOs to foster collaboration between schools and school districts.
